standards and abatement requirements; effective sanctions against employers for violations of rules, regulations, standards and orders; employee right of review in the State civil courts and employee participation in this judicial review process. In addition, there is provision for prompt restraint of imminent danger situations by injunction and "red-tag" procedures. The plan also proposes to develop a program to encourage voluntary compliance by employers and employees, including provision for onsite consultation, which program will not detract from its enforcement program.

(c) The plan sets out goals and provides a timetable for bringing it into conformity with part 1902 of this chapter at the end of three years after commencement of operations under the plan. The plan also includes the State Administrative Process Act. A merit system of personnel administration will be utilized.

(d) The plan includes the following documents as of the date of approval:

(1) The plan document and appendices including revised legislation, submitted June 21, 1976.

(2) Letters from the Department of Labor and Industry dated January 15, March 4, and August 23, 1976, and from the Department of Health dated August 18, 1976.
